

Climbing wall terms of use

By using the climbing walls managed by Tekiila, you comply with these terms!

1. **The climbing walls are used at your own risk only.** The users of the climbing walls must be aware that only they are responsible for the damages and injuries caused by their climbing.
2. The user of the climbing walls exempts Tekiila, TURVoKe ry, SportUni and Tampere Universities from the responsibility of everything that happens during the use. The user must have enough knowledge of the climbing equipment he/she is using.
3. Risking the safety of anyone, including the users of the wall, while climbing is forbidden.
4. Climbing walls managed by Tekiila are located at Hervanta campus Tamppi Areena lobby and Rakennustalo bomb shelter, Bommari
5. While bouldering, which means climbing without a rope, you may only climb as high as where you are comfortable falling down from without injuring yourself. The climbing holds might turn or break at any point. The area below must have crashpads or other protection suitable for falls.
6. Climbing at the climbing walls managed by Tekiila is only allowed for those eligible for SportUni services, or with a special permission of SportUni, to others. Users must know how to behave properly by the walls.
7. Outside official climbing sessions organized by Tekiila, the users of the walls must be members of Tekiila, excluding special cases permitted by the board of Tekiila. You can join as a member by following the instructions at www.tekiila.fi/englanniksi/
8. In the case of problems, something being unclear, or if you notice that something is missing, please contact the board of Tekiila about it personally or via hallitus@tekiila.fi
9. The belaying party of top-rope climbing must have the green Finnish national belaying card, or a special permit from the board of Tekiila.
10. To climb or belay using a lead-rope, both roles must have the pink Finnish national lead-belaying card, or a special permit from the board of Tekiila.
11. Stepping on the climbing ropes is forbidden, and any knots must be removed after use.

You can acquire the national Finnish belaying card by proving your capability of belaying at one of the following climbing centers: Climbing center of Tampere (Nekala), Climbing center of Oulu, Climbing center of Helsinki, Climbing arena Salmisaari, VOEMA - Climbing center of Kuopio, BoulderPaja - Climbing center of Jyväskylä
